

SUNDOWN BAR

Located next to Excel London, the Sundown Bar aboard the SUNBORN yacht greets its guests with a sparkling atmosphere that oozes sophistication and indulgence. Offering stunning view over Canary Wharf and the O2 arena, London, the Sundown bar is nothing short of breath taking. Classy, yet cutting-edge and modern, upscale, but still chilled, a place where you can experience the art of fine living in the most natural way possible.

On Sunborn London we value traditions and believe the importance of knowledge of the local heritage. Therefore, we have named our restaurant Lands' End – name given to Victoria Docks area by George Bidder in 1840's.

The bar offers a wide array of the finest and exclusive spirits and wines. Partnering up only with high-end distilleries and established names, it brings on the menu some of the finest drinks in London. With the fantastic talent of our mixologists, these are turned into delicious concoctions, the finest you can enjoy near Canary Wharf and the Docklands.

At the Sundown Bar on our third deck, you will encounter the charm of meeting a friend or the novelty of making new acquaintances from a whole different light.
